72nd Annual May Match Held May 2

We had good weather for our 72nd Annual May Match held on May 2, 2026. Between the shooting, it was great to sit outside and enjoy the food prepared by our world-famous kitchen crew. Our Treasurer handled registration, and our RSOs ensured the day ran smoothly! We welcomed shooters who have been supporting our May Match for years, as well as first-time competitors. Our sincere thanks to everyone who joined us to make this day a success!

2026 Officers Installed

At this year's May Annual Meeting, the officers took their seats for another year. They were Greg Galindo as President, Mike Luongo as Vice President, Vanessa St.Clare as Secretary, Dylan Hoffman as Executive Officer, and Ryan Stickle as Chief Instructor. Colette LeClerc won a decisive victory over John Hadley by a vote of 39-13 and will take the position of Treasurer for another year. There should be an election every month, since 52 members attended the meeting to cast their vote, which is double the attendance at most of our monthly meetings.

Member Spotlight

This month, we highlight **Debbie Hadley**.

Debbie became interested in recreational shooting after she met her husband, John. Debbie has been a member of the Club since 2023. She was first introduced to shooting when John's father put a 12-gauge shotgun in her hand and said Pull the trigger, which ignited her fascination for shooting. She enjoys being a member of the Club. She participates in various events, such as Sunday leagues, matches, club socials, and, of course, the monthly meetings, where you will find her in the front row, usually helping sell 50/50 tickets. Her favorite pistol is her purple Ruger Mark IV 22. Since joining the Club, she has acquired a nice collection of pistols.

Debbie has enjoyed her career as a Registered Nurse at Newton Medical Center for the past 22 years. When she's not shooting, she enjoys gardening, decorating, traveling, and is a fantastic cook.

New Container for Hazardous Material Disposal

There is a new container at the range for proper disposal of hazardous waste. Members are asked to throw **ONLY** hand wipes, loose projectiles, and Swiffer pads into this container and always put the lid back on. The container is **NOT FOR GENERAL GARBAGE**.
