New members are encouraged to participate in our competitive shooting leagues

Help Needed!

The fourth Saturday of the month at 9 am

Meeting

The third Monday of the month at 7 pm

It takes a HUGE amount of work to maintain our CLUB.

Right out of the box two years ago, when **Bobby Sole** joined our Club, he was appointed to take over **Buildings & Grounds**, which Gordon Sweetman had previously headed.

Bobby doesn't work alone, though. He leads a reliable and hardworking crew of regulars – **Mike, Greg, Ryan, Dylan, and Donnie** – who, along with a monthly variety of regular and probationary members, join him in tackling what seems like an endless list of projects. Whether it's **improvements, painting, repairs, constant yard work, general cleanup**, or handling unexpected maintenance needs, this team is always up to the task. Their collaborative spirit and willingness to get their hands dirty are a testament to the strong work culture Bobby has helped build.

He runs the monthly **Work Party** on the fourth Saturday of every month at 9 am. **It would be great for this Club if every member could commit to just two work parties each year.**

Additionally, Bobby is always looking for equipment (wheelbarrow, tools, etc.) or monetary donations. If you want to donate, you can contact him at (973) 513-2547.

Please take your used backer boards home. DO NOT leave them at the range. Thank You!

Help Needed!

Work Party - Bobby Sole

Saturday, August 23 - 9 am

Meeting

Monday, August 18 - 7 pm

Member Spotlight

This month, we highlight Club President Mike Luongo.

After hearing about the Club, and stopping in for a visit, Mike joined in 1986, when dues were only \$40. He has served as our President for the past three years, and prior to that he served for several years on the Executive Committee.

Mike spends a lot of time at work parties, where in the beginning he always wished he could be in the kitchen. Finally, ten years ago, John Heller let him in and he has been at the grill ever since.

Mike had a 26-year career in the NJ Department of Corrections, where he served on the Special Operations Group, and during 9/11 got assigned to the Newark Airport, the Ports of Newark and Bayonne. While serving in SOG, he won many shooting competitions.

Since his retirement six years ago he spends his time at music festivals and considers himself a "Dead Head". He also reloads a lot of ammo and works on his 1948 CJ2A Willys Jeep, that has been in his family for 57 years.

Final Days of Junior Rifle Program

Dylan and Greg are down to their last two days of **Junior Rifle Program** on August 5 and 12. This season they have 21 shooters participating. With so many, they are always in need of coaches. If you have a Tuesday night free at 6 pm, **come on down and help out!**

Please take your used backer boards home. DO NOT leave them at the range. Thank You!
