## Where Else Can You Get 15 Minutes of Heat for ONLY 50¢?

**Dylan Hoffman** arranged the purchase of a new furnace, and **Roy Soit** performed the installation, with some help from **Bobby Sole**, **Mike Luongo**, and **Greg Galindo**. You can thank them all winter long for letting us shoot and stay nice and warm during these next few cold months.

## Enlarged Bench

Thanks again to **Dave Anderson** for adding another board to our bench to accommodate our expanding arses. He says now you don't have to get the insulation all over your back when you sit. **He is always looking to make improvements!**

Your ANNUAL DUES, and proof that your NRA membership extends beyond December 31, 2026 are to be submitted before the January 2026 monthly meeting. A \$25.00 reinstatement fee will be charged for any dues received after the third Monday in January.

## Member Spotlight

**This month, we highlight Larry Leve**

Larry has been a member for forty years, since 1985, when he remembers joining at the same time as Bob Uzzalino. He served as President from 1994-97, during a tumultuous period when we faced a lawsuit over excessive noise. Fortunately, with NRA guidance, we installed all the soundproofing and resolved the issue. Larry has always been available when Helen calls, asking if he could work with a new member who feels uncomfortable coming to the range by themselves in their first year. He has fond memories of being on the team that would go up to West Point to compete in matches. He also ran the snack stand with his wife, Carol, for many years during our May Matches.

He started his fifty-two-year career in the food business at sixteen, but it was put on hold at nineteen when he received his draft notice in 1967. Since he was newly engaged, he was able to delay it for a few months until February of 1968. He signed up for an extra year on top of the two-year draft, for a total commitment of three years, and was promised that he would be sent to computer school. But Uncle Sam reneged and sent him to Vietnam in July 1967, where he served for a year on the lines in the Tactical Operations Unit, and came home on July 20, 1969, the same day we landed on the Moon. As a Sargent, he served his last eighteen months in Colorado. **We thank Larry for his service to this great county!**

When he got back to the Bronx in 1971, he started working at Pathmark. After moving to Sussex County, to be by his brother, and a promised transfer to Pathmark in Kinnelon, he took a job at ShopRite. He eventually ended up at Ronetco, managing several of their stores in Netcong, Mansfield, Succasunna, and Newton over the years. He retired from Ronetco after thirty-nine years in 2016.

Your ANNUAL DUES, **and proof that your NRA membership extends beyond December 31, 2026** are to be submitted **before** the January 2026 monthly meeting. A \$25.00 reinstatement fee will be charged for any dues received after the third Monday in January.
