Member Spotlight

This month, we highlight Dylan Hoffman

Dylan joined five years ago after his friend John Frawley showed him the range. He currently serves as the Executive Officer and has been coaching the Jr. Rifle League for five years. Last year, he took over the Jr. League. He also coaches Guys, Girls, and Guns, and is a Range Safety Officer.

Dylan has a strong work ethic and a passion for mechanics. He attended the mechanical engineering program at Sussex Vo-Tech and received his master's degree in Engineering from Stevens Institute of Technology. He currently designs custom laser equipment at Haas Laser Technologies in Flanders, and has worked at Longwood Motors as an auto technician for 19 years. He played a key role in improvements to the 75-yard range. He donated the iron legs for both the 75-yard and 15-yard backstops.

Congratulations to Dylan and his fiancée Erin Day, who plan to get married this fall.
