Another successful Girls, Guys & Guns event

Our annual **Girls, Guys & Guns** event was held on Sunday, July 27, and as always, all 23 ports were filled. Thanks to Don Rumrill for calling the range, John Bostonian for teaching the Safety Course, our RSOs Bobby Sole, Greg Galindo, Ryan Stickle, and John Clark for keeping us safe, and to all our member coaches for working with their students.

Since we had a half dozen people on a waitlist, another smaller **Girls, Guys & Guns** event is scheduled for Sunday, September 28. Volunteer coaches, please call Bob Uzzalino at 845-313-8634.

John Heller Memorial Match and picnic

The **John Heller Memorial Match** is scheduled for Sunday, September 7. Sign up at **NJPistol.net**. Following the match at 2:00, we are having a **Member Appreciation Picnic**. A covered dish is appreciated, but not required. Members are free and nonmembers are \$5. Well-behaved children are also welcome. RSVP to JohnHadley@optonline.net by September 1 to help us get an accurate head count.

Member Spotlight

This month, we highlight Diane Carroll

Diane joined the Club in 2011 and has been our Secretary on the Executive Committee for the past 14 years. She stepped into this role shortly after joining, following the unexpected passing of the previous Secretary, whom she knew well. The Committee asked her to take on the position, and she said "Yes", and her adventure began!

Over the years, she's enjoyed working alongside fellow members in the kitchen during various events, which always brings back fond memories of working at the Franklin Diner. She enjoys rolling up her sleeves at work parties, learning new skills and tips, and using different tools – like the time they put the roof on the 50-yard line pavilion and she got to use the nail gun (so much fun!).

One of her favorite memories is of John Heller, who would jokingly say, "OMG, I have to take my Tums," every time he watched Rose and her shoot at the League.

She loves food and cooking (especially her mom's), enjoys various sports (pickleball), loves animals, and enjoys the outdoors (gardening and mowing). If you hear country music playing, she'll be nearby. There's nothing better than a good country tune to make any day brighter (but I will leave the two-step to Helen)!
