Leagues

New members are encouraged to participate in our competitive shooting leagues

Help Needed!

The next Saturday after the monthly meeting at 9 am

Monthly Meeting

The third Monday of the month at 7 pm

Spring Breakfast Held on Sunday, April 19

Thirty-five members and their guests attended this year's Annual Spring Breakfast. Participants in the winter pistol leagues ate for free, and all others paid \$5 for a spread that included everything from scrambled eggs, bacon, and sausage patties to Woody Webster's biscuits and sausages and Mike Luongo's Reuben bake, to name a few. The breakfast, along with our Annual Christmas Party, is a great way to meet your fellow Members and their families. As always, it was **"THE best \$5 breakfast in town."**

2026 Annual Slate of Officers on May 18

The annual slate of Officers includes Greg Galindo as President, Mike Luongo as Vice President, Vanessa St.Clare as Secretary, Dylan Hoffman as Executive Officer, and Ryan Stickle as Chief Instructor. A vote will decide the Treasurer position between Colette Leclerc, our current Treasurer, and John Hadley.

Our bylaws stipulate that voting is limited to Regular Members using "In-person" ballots at the May 18 Annual Meeting, so attendance is encouraged. The meeting is at 7:00 pm.

Member Spotlight

This month, we highlight **Carol Takatsuki**.

Carol joined the Club in 2004 after her purse was stolen at Delaware Water Gap while hiking, and had to replace her Firearms ID Card. It was then that she wanted to learn more about shooting. She looked for a club close to her Lake Hopatcong home and found FR&R. When she joined, she was mentored by Herb Wreden, who got her involved in PSA and Runnin' and Gunnin' matches, and she spent most weekends competing with Herb. Herb passed; she lost interest and hasn't competed in over 10 years.

Carol comes to the Club during the week to shoot when it's quiet, and comes to leagues on Sundays and competes in our annual matches. She also coaches for our community events. Her interest in shooting began when she was a kid, when her family had a 170-acre farm in Pennsylvania where her parents and uncles would take her out to shoot at bottles on the property. She is passing this down to her three daughters, whom she has brought to the Club as guests to shoot.

Precision Match Held on Sunday, April 26

Bob Uzzalino held his monthly Precision Match, which included rifle shooting. Eleven members came out to compete. **New members should come out and join us! It's easy, fun, and can improve your shooting skills.** Plus, a little friendly competition can't hurt. Next month, the Precision Match is on Sunday, May 24.
